

BRADLEY DEMOLITION

Contractor Selection policy

All contracting companies will have to complete the Contractor Health and Safety Competence Questionnaire, which will then be scrutinised by the Company's Health and Safety Consultant. The Company will award contracts only when it is assured that there is compliance with The Health and Safety Competence Questionnaire. The Company will require all sub-contractors to have, as a minimum, undertaken a standard questionnaire assessment or an assessment with a recognised SSiP certifying body such as: CHAS, Safe Contractor or other recognised bodies such as Construction Line.

The persons responsible for this section of the policy are the Managing Group.
