

BRADLEY DEMOLITION

Safe Use of Access Equipment Policy

Scaffolding

The Company's policy is that all traditional tube and clip scaffolding shall only be erected by scaffolders holding a Construction Industry Scaffolders Record Scheme card (CISRS). Only competent persons are to erect, alter or dismantle scaffolding over 5.0m in height. Only trained and competent persons will be allowed to erect, alter and dismantle approved proprietary scaffold systems including easy-deck and ladder deck systems.

Mobile Access Towers

Only PASMA trained and competent persons will be allowed to erect, alter and dismantle mobile access towers.

Lifting of persons

Regulation 5 of the above regulations must be complied with at all times. See specific Safe System of Work for this type of work.

The persons responsible for this section of the policy are the Managing Group.
