

BRADLEY DEMOLITION

Welfare Policy

Welfare Arrangements:

The company recognises and accepts its duty under The Health & Safety at Work Act 1974 and its associated Regulations, namely The Workplace (Health, Safety and Welfare) Regulations 1992 as amended 2002 and in particular; The Construction (Design and Management) Regulations 2015 for ensuring so far as is reasonably practical, to the health, safety and welfare of all its employees whilst at work and for the health and safety of any person affected by its activities, acts or services. The company will comply with current health and safety legislation, codes of practice and other authoritative guidance.

The company will so far as be reasonable practicable:

- Maintain places of work and premises under their control in a condition that is safe and without risks to health, this includes the provision of safe means of access and egress.
- Provide and maintain a safe and healthy working environment for all employees including adequate facilities for their welfare at work.
- Provide and maintain plant, equipment and systems of work that are safe and without risks to health.
- Ensure arrangements are in place for the safe use, handling and storage and transport of timber, joinery units, roof trusses, timber housing panels and general building materials etc.

The HSE Notification Sheet No 46. Provision of Welfare Facilities at Transient Construction Sites will be followed for any works involving multiple sites.

It is company policy that all:

That every step will be taken to ensure that suitable and sufficient welfare facilities are provided at all our work locations and that these are supervised by the specific manager for the project.
